 - 6.3 When the pool is hired out for exclusive use;
 - 6.4 When the pool is closed due to health, environmental or safety incident;
 - 6.5 During an electrical storm;
 - 6.6 Any other time access to the pool is reasonably restricted by Council.
7. The correct procedures for After Hours Card entry and exit into and from the pool premises even during periods when the pool may be attended are:
- 7.1 Use personal Access Card for entry into the pool premises;
 - 7.2 Use personal Access Card on exit from the pool premises,

NOTES:

- 1) If the Access Card User does not tap out on exit from the pool premises, the electronic entry exit system will still record you as being in the pool premises, and will not allow further subsequent entry. In this instance the entry system will have to be reset by council on the following day. If a User repeatedly fails to tap out, then at the discretion of management their access card may be cancelled with no refund.
 - 2) The electronic Access Card system will automatically monitor individual Card usage. Close Circuit Television (CCTV) may also be operated by Council to monitor correct procedures at entry/exit points and to monitor general activities at pools.
8. You acknowledge that you are not entitled to any refund or compensation if you are unable to access the pool for any reason listed in clause 7 or Note 2 above.
9. When entering and exiting the pool you must ensure that entry and exit is secure at all times.
