

MANNUS LAKE BLUE ALGAE ASSISTANCE APPLICATION FORM

Council has resolved to provide public health assistance in accordance with *Section 356 of the Local Government Act* to affected residents of a Blue Green Algae (BGA) event by providing:

- Water sampling and testing of domestic water supplies, capped at one sample per household per BGA event;
- Supply and delivery of domestic water only to affected residents who have no other alternative domestic water source, who access water from Mannus Lake, Mannus Creek or Munderoo Creek;
- Water will be capped at one 13,000 litre load per fortnight per household during each Red Level Action Mode BGA event

Note: Council will individually assess applications for assistance. Individual applications must be submitted for each BGA event.
