1. Modifies the conditions of operations at the Tumut Saleyard to reflect the process of:
 - A. Checking early Monday morning usage of the yards.
 - B. Vendor Declaration details be used to issue user fees to landowners.
 - C. Monitoring of the yards be randomly undertaken.

Council has been monitoring the yards and found people are using the yards and not paying and at times leaving cattle with no water or food for longer than allowed

Council has unlocked the yards and from this people have been using the yards without going through a vendor.
