I am writing with regard to the now defunct
Khancohan Landcare Group. KLG ceased to
exist at least 7 years ago. Funds of
approx. \$2300 remain (please see enclosed
bank statements.)

It is not possible to hold a wind up
meeting, Committee members have scattered
and I do not have contact details for
them.

I request that Council assist with closing
the CBA account and transferring the funds
to the Khancohan Op Shop Committee if
possible, or failing that, to Council itself.

With very best regards,

By Fletcher
former President
Khancohan LC.
