LTC5/20 RESOLVED:

That the Minutes of the Local Traffic Committee Meeting held on 26 August 2020 be received.

Glen McGrath/Dossy Carr

3 BUSINESS ARISING

- Item 3.0 – Adelong Pre-school parking – to be addressed as a work in progress.
- Item 3.1 – Snowy Mountains Highway adjustment – speed zone will be adjusted from 60km/hr to 50km/hr on the 7 September, 2020.
- Item 3.2 – Rural bus stop alternative – alternatives have been discussed with the bus operator. Still waiting for family of the passenger to respond.
- Item 3.3 – Elm Drive – speed cushions request – 4 cushions have been installed with bollards. 4 more cushions yet to be installed.
- Item 3.5.1 – Gocup Road intersection – meeting was held onsite with Minister Paul O'Toole and Dr Joe McGirr. Action to have a delegate from TfNSW to present updates and rationales for the Gocup intersection.

A number of site treatments have been put in place, including pruning of trees, line markings and installation of signs. The Town services sign needs to be moved as it blocks the line of site from Capper Street east, along the Highway. The community are not happy with the lack of communication and consultation regarding roundabout and location. Community requests that Council would be seen to be more visible in promoting re-alignment of Gocup Road to intersect at the Snowy Mountains Highway.

- Item 3.5.2 – Bald Hill protective barriers – Steve Horsley and Glen McGrath visited the site. Treatment works to be applied for as part of the Safer Roads portal.

Funding for road safety upgrades for Bald Hill portion of Tooma Road, was unsuccessfully applied for in the Safer Roads submissions.

- Item 3.5.3 – Heavy vehicle parking along Adelong Road – safer truck parking alternatives to be explored, making allowances for possible expansions of traffic and duration of requests. Use of Railway precinct was requested as this is favourable location then Capper Street within the CBD.

4. AGENDA ITEMS

4.1 LOWTHER'S LANE - ASSESSMENT & TREATMENT

RECOMMENDATION:

THAT THE COMMITTEE:

1. Receive the report on the Lower's Lane Assessment and Treatment.
2. That Council investigate a range of designs that incorporate the installation of Give Way signs or making Lower's Lane a one way road or widening the road formation to a width to fit two (2) traffic on it or adding an additional separate line.
3. That Council proposes to investigate the traffic flow along Lowther's Lane, Mundongo using traffic counters and cameras.

4.2 TRAVERS STREET, ADELONG - INVESTIGATION OF TRAFFIC & DESIGNS TO TRAFFIC CONTROL

RECOMMENDATION:

THAT THE COMMITTEE:

1. Receive the report on Travers Street investigation of traffic & designs to traffic control.
2. That Council proposes a range of designs that close the western end of Travers Street at the intersection of Quartz Street and Travers Street to be presented at a future Local Traffic Committee Meeting.
3. That Council propose to investigate traffic flow along Travers Street using traffic counters, pedestrian counters and cameras.

4.3 ELM DRIVE - LANE REALIGNMENT & PARKING**RECOMMENDATION:**

THAT THE COMMITTEE:

1. Receive the report on the Elm Drive land realignment and parking.
2. That Council investigate designs and strategies for remediating the traffic congestion outside the basketball court on Elm Drive and present these at the next Local Traffic Committee meeting.

4.4 SPEED ZONE REQUESTS**RECOMMENDATION:**

THAT THE COMMITTEE:

1. Receive the report on speed zone requests.
2. That Council supports the community in making adjustment applications (southwest.customerservices@rms.nsw.gov.au) and that Council uses a variety of strategies to encourage safe speeds on roads.

4.5 SPECIAL EVENT APPLICATION - BATLOW CIDERFEST 2021**RECOMMENDATION:**

THAT THE COMMITTEE:

1. Receive the report on the Special Event Application for the 2021 Batlow Ciderfest.
2. Support the Special Event Application for the 2021 Batlow Ciderfest to enable this event to go ahead, subject to Council's standard conditions.

4.6 SPECIAL EVENT APPLICATION - TUMUT FESTIVAL OF THE FALLING LEAF 2021**RECOMMENDATION:**

THAT THE COMMITTEE:

1. Receive the report on Special Event Application for the 2021 Tumut Festival of the Falling Leaf.

2. Support the Special Event Application for the 2021 Tumut Festival of the Falling Leaf to go ahead, subject to Council's standard conditions.

5 GENERAL BUSINESS

5.1 Engine Braking within Town Limits

That council writes a letter to the timber mills to remind timber truck operators not to use engine braking within town limits through the use of signs or direct messaging.

Discussion

Operators who are not used to local conditions are the frequent source of engine noise. Co-ordination with the Environmental Protection Agency to be investigated regarding excessive noise within town limits.

5.2 Small Timber Debris falling off timber trucks.

That council writes a letter to the timber mills to remind wood product truck operators to remove all small debris from truck covering to minimize the amount of debris falling onto the roads.

Discussion

Several comments were made about the amount of small debris blowing off timber product trucks onto following cars and motorbikes.

5.3 Batlow Road/Snowy Mountains Highway Intersection.

That council requests an update and reports on planned improvements to the Batlow Road/Snowy Valleys Mountain Highway.

Discussion

TfNSW asked the public for submissions regarding the intersection and a report for improvements will be available in the near future.

Some planned improvements include the installation of rumble strips, realignment of line marking and the speed zone adjustments.

5.4 Speed zone adjustments

Concerns were raised and frustrations experienced by road users regarding the rolling out of lower adjusted speed zones.

The range of speed zones were discussed.

TfNSW position is to promote and support the safety of all road users. The extra time taken to travel the distances at lower speeds is compensated by the safer road environment.

5.5 Greenhills Road and Wondalga Road speed zones

These speed zones are temporary speed zones and will revert to original speed zones once the timber harvest for bush fire damaged forests is completed.

Permanent speed zone adjustments are to be referred to TfNSW who have the necessary jurisdiction.

5.5 Extension of School Zone in Rosewood

That council prepares a report that requests TfNSW to extend the school zone to include a segment of the Wagga Road in Rosewood between the CBD and Humula Street.

6 NEXT MEETING

The next meeting was scheduled for the 24 February, 2021. This meeting will be held in Tumut.

There being no further business to discuss, the meeting closed at 11.58am.

Chairpersons Report 2020

Thank you all for keeping Glenroy going throughout this very disruptive past 12 months.

Volunteers have not missed their rostered days in all sorts of conditions. A special thank you to Yvonne for doing such a good job keeping the buildings and surrounds in A1 condition.

We were very lucky that tradesmen could work during the lockdown to finish stage two of the Button Hut.

Displaying the buttons has been a big job for the Pioneer Women's Hut ladies.

Final stages will be the lighting and acrylic screens.

We look forward to being able to have groups again next year to bring in much needed revenue.
