WORKS AROUND THE REGION

Our teams are working on various projects around our region, including:

- Alpine Way resealing
- Walteela Road Bridge (Mannus) replacement project
- Heavy patching for TfNSW on Gocup Rd
- General roadside slashing and spraying underway to prepare for Summer
- Bridge abutment repairs at Butlers Lane, Wee Jasper Road and Deans Bridge

If you spot our crews while out and about give them a wave and please take care.

COMMUNITY POP-UP - MULTIPURPOSE/EVAC CENTRE

Interested community members are invited to attend a Pop-up Community Session in Richmond Park to learn more about the Multipurpose and Evacuation Centre project.

- Wednesday, 11 December 2024
- 4 PM - 6 PM
- Richmond Park (near the playground)

The Pop-up will allow residents and interested parties the opportunity to meet with the architect and share any ideas or concerns they have about the project, as well as learn more about the DA process.

Attendees will be able to:

- Learn more about the project's design and development
- Meet the architect and ask your questions
- Share your feedback and ideas
- Help shape a facility for the whole community!

Those who can't make it can provide their feedback and learn more about the project at <https://yourvoice.svc.nsw.gov.au/multipurpose-centre>

This project is made possible with a grant through the Australian and NSW Governments Bushfire Local Economic Recovery Fund (BLERF).

FOGO COMPOST NOW AVAILABLE TO BUY

Your green bin just got greener! The compost made from your FOGO collections is now available for purchase!

Following successful trials in Council's parks and open spaces, FOGO compost is now ready for community use.

The high-quality compost, finely screened to 6mm, is ideal for top-dressing lawns and gardens.

It meets Australian Standards for retail and wholesale soil products and is perfect for soil improvement, moisture retention, and promoting robust plant growth with essential nutrients.

Grab a 15kg bag for \$12 from:

- ✓ Any Council Resource Recovery Centre
- ✓ Valmar Pinecom Industries, Jarrah Road, Tumut

Ideal for giving your garden or lawn a boost.

TENDER AWARDED FOR BRINDABELLA ROAD SURVEY AND DESIGN

Council has appointed Rigore Engineering Services to undertake road survey and design of the 10.6km section of the Brindabella road from the intersection of Goodradigbee River Bridge to the NSW/ACT State border, as a sealed road,

Mayor Julia Ham said "Major upgrades and sealing of Brindabella Road have long been an advocacy priority of Council and we have been supported in this vision with over \$37 million in federal government funding thanks to support by the Hon Kristy McBain MP."

Significant upgrades to Brindabella Road are a step closer with Stage 1, the survey and design work estimated to get underway in early 2025.

It is estimated that road construction will commence in late 2025.

TAKE OUR ENGAGEMENT SURVEY

Take our short engagement survey to help us better understand what you (our community) values and you could be in with a chance to win one of three \$100 Gift Cards.

We are reviewing our Community Engagement Strategy and Policy and your feedback will help us to improve the way we communicate and engage.

People can take the survey online or pick up a hard copy from council's libraries, customer service counters or childcare centres.

CHRISTMAS OPERATING HOURS

We will be closing our offices, libraries and some other services during the Christmas and New Year period.

- SVC Offices will close at 11am on Friday 20 December and reopen on Monday 6 January 2025.
- Libraries will be closed from Friday 20 December and reopen from Monday 6 January 2025.
- Pools will be closed on Christmas Day, Boxing Day and New Year's Day – check with your local pool for all the details.
- Resource Recovery Centres will be closed on Christmas Day, Boxing Day, New Year's Day and all public holidays
- Kerbside bin pickup will be as normal schedule
