

SAFETY INFORMATION

Please ensure you are wearing sunscreen, a hat, insect repellent and are carrying at least 1L of water.

Please stay away from any wildlife that may be seen on the trek.

If you see a snake, do not panic, and slowly move away.

Alert trek organisers who can safely navigate around the snake.

If you require assistance along the walk or need help,
please alert trek organisers, or support staff
(all will be wearing green shirts) who will come to your aid.

TRAIL WALK 9 KM

Trek Route
Start Point - Paddy River Dam

ITINERARY

6:15-6:45AM: Registration at Hammond Lane, Tumbarumba Creekscape

7 AM: Buses depart from Hammond Lane

8 AM: Trek begins, Paddy's River Dam

10:30 AM: Morning tea (provided)

1 PM: End of trek, buses to collect trekkers and return to Tumbarumba Creekscape

1:30 PM: Lunch at Tumbarumba Creekscape (provided)

TUMBATREK 2024 will see trekkers take on an epic 9km walk along a section of the historic Hume & Hovell Track from Paddy's River Dam.

An iconic annual event, Tumbatrek provides an informal opportunity for community and government leaders to discuss issues in the region while experiencing the beautiful landscape of the Snowy Valleys region. Locals and keen walkers are invited to join Member for Eden-Monaro, Kristy McBain, and Snowy Valleys Council Mayor, Ian Chaffey, for Tumbatrek 2024.

This year buses will ferry participants from the Tumbarumba Creekscape to the starting point at Paddy's River Dam. Trekkers will enjoy a walk through Bago State Forest along the Hume and Hovell Track amongst the Red Stringybark, Peppermint Box and the giant Alpine Ash, moving downhill over boardwalks and bridges crossing Reef Creek and Duffers Gully as they take in the native scenery under the tree canopy.

Buses will then ferry everyone back to the Tumbarumba Creekscape for lunch. Held on Saturday 10th February. For the low price of \$10 for Adults and \$5 for children, morning tea and lunch provided.

Trekkers urged to bring water, sunscreen and have sturdy shoes ahead of the event.
