

10.1 DONATION OF HERITAGE GOLD MINING EQUIPMENT - ATTACHMENTS

Attachment Titles:

1. Draft Donation Agreement from Rodney and Margo Fifield
2. Engineering specifications of Poppet Head

Attachment 1 - Draft Donation Agreement from Rodney and Margo Fifield**ADELONG FALLS GOLD MILL RUINS****Agreement to receive donations of Heritage Gold Mining Equipment**

Name Of Owner : Rodney & Margo Fifield
Sandy Gully Rd Adelong

Equipment : Cast Iron Windlass Wheels & Mounting blocks

Name : Poppet Head Wheels

Other Identifying Stamps : Not Known

Description

Cast Iron Windlass Wheels (Poppet Head Wheels), last known use in the Gibraltar Mine Adelong. Approx 2.3 m in diameter.

Use

Last Known use of these wheels was in the Gibraltar Mine Adelong in the transfer of material from mine shaft to opening.

Conditions Of Donation / Gift

Mr & Mrs Fifield have donated the wheels on behalf of the late Mr Bob Hughes on the condition that they are displayed in the Mining Equipment Park above the entrance to Adelong Falls Reserve. If the wheels are no longer required, they will be returned to Mr & Mrs Fifield or nominated family member / individual. Mr Mrs Fifield retain legal ownership of the wheels but release legal liabilities whilst wheels are in transit or situ at the Mining Equipment Park. If the wheels are damaged or broken whilst not in the possession of Mr Fifield the wheels are to be repaired at no cost to Mr Fifield or otherwise nominated individual.

Snowy Valleys Council Obligations

The council accepts the donation in good faith and undertakes to secure the donation in the best possible way. The Donor is to be recognised on the interpretive plaque to be developed following research on the maker and use.
