Steven Pinnuck
General Manager
Snow Valleys Council
6th November, 2023

Dear Steven and Councillors,

The Tumbarumba Start Strong Preschool (TSSP) is a community-based association. The committee was formed in February 2022 with the aim to address the Early Childhood Education and Care crisis in Tumbarumba and surrounds. The committee successfully applied for the NSW state government Start Strong Capital Grant. This was granted in August 2022.

The preschool project is getting closer to commencing. We are looking at the budget. Since the preschool is an incorporated body and not a 'business', Would council consider waiving the 'Developer Contribution' and Water and Sewerage charges, Construction Certificate and Occupation Certificate fees.

As a brand new incorporated body with no start up funding. A waiver would be an enormous financial help to our build. The money saved would allow for an improved outcome from the build and allow the committee money to set up the centre.

Thank you for your consideration

Yours Sincerely,

Jo Duke, Bev O'Ryan, Ali Grant, Alysha Pearsall, Kathleen Johansen, Lucy Daniel, Julia Ham
