Snowy Valleys Council has received an application for the installation of a stock grid on Meadow Creek Road at Tumut. Refer to map attached.

At Councils' 14 December 2023 meeting a Notion of Motion was passed unanimously by Councilors:

M252/23 RESOLVED:

THAT COUNCIL receive a report that considers allowing a stock grid to be installed approximately 150 metres back from the junction of Gocup Road and Meadow Creek Road. Installation, cost of grid and maintenance to be paid for by landowner.

Councils' current 'Public Gates and Grids Policy - SVC-ENG-PO-012-01' in general does not support cattle grids located on Public Roads, therefore, Council is seeking feedback from all adjoining property owners in Meadow Creek Road as part of its due diligence process in consideration of this proposal.

Attached you will find the:
